Good Morning Mr. Edelen,

The insurance was approved on June 5th.

Prior to construction, you are required to contact the following:

For Scheduling of Flagging and Inspection
Joe Spadone of NS's Harrisburg Division Engineer's office, (717) 541-2112

For Railway Signal Identification
Philip Kaehn, Communication and Signal General Inspector, (717) 541-2131

Thank you,

Angelina DiScienzo
Contract Administrator, Freight Rail Group

To whom it may concern,

I'm following up on the email below to begin construction in the fall and to provide an update Commercial General Liability Insurance for Norfolk Southern Activity No. 1270731. Please confirm receipt and let me know if you have any questions.

Thank you,
Michael

To whom it may concern,

Attached is the updated Commercial General Liability Insurance for Norfolk Southern Activity No. 1270731 for your records. Construction will occur after the previous coverage expiration

date provided in the Standard Pipe License Agreement dated August 2, 2019.

Please let me know once you received the updated commercial general liability insurance as we plan to bid out this project for construction next month.

Thank you,

Michael Edelen, PE
