3.3. BID REQUIREMENTS

3.3.1. SPECIAL CONDITIONS

By submitting a bid response, Suppliers certify that their proposals are made without collusion or fraud and they have not offered or received any inducements in connection with their proposals. They further agree that this solicitation and any resulting contract shall be governed in all respects by the laws of the State of South Carolina and they shall comply with applicable federal, state and local laws and regulations. Any contracts or leases resulting from the award of a Bid are to be for a period of not more than one year, with four renewal options for a total period not to exceed five years. Any exceptions to this policy must be noted and agreed to by both parties in writing, prior to the issuance of the Notice of Award. Proposal submissions must remain valid for a minimum period of ninety (90) days after the submission due date unless otherwise stipulated.

The Town reserves the right to reduce or increase the scope of the project if the lowest responsible and responsive supplier's submittal is not in line with the budgeted amount for the project. The Town, at its sole discretion, reserves the right to increase or decrease the scope of work to facilitate an award. This scope reduction will be enacted only if it is in the best interest of the Town and constitutes no guarantee of scope.

The Town also reserves the right to add to the contract any future work or purchased goods, with the agreement of the supplier, at prices offered in this bid document. This option will be enacted during the contract or within six months subsequent to the end of the contract, if in the best interest of the Town and with the agreement of both parties.

3.3.2. RESPONSES

In responding to a bid, ALL item numbers with appropriate formatting must show some type of acknowledgment in order for the response to be properly evaluated. Failure to respond to all specification criteria items may be deemed as sufficient reason to reject a submission. Any items not identified shall be deemed as in compliance. Suppliers must: 1) complete any/all required forms; 2) indicate agreement or disagreement on each mandatory requirement and, if requested, provide additional information on how the specifications will be exceeded or not met; and 3) provide complete and detailed responses to any and all non-mandatory requirement that can be fulfilled.

- The prices for all responsive and responsible submittals exceed budget;
- No single responsive and responsible submittal meets all requirements;
- When all responses are unclear or deficient in one of more areas;

3.3.5. ALTERNATE BID DOCUMENTS

Documents prepared by the Town which have been supplied for your use must be used for the submission of Bid Response where provided. The use of alternate forms that deviate from those supplied (See Section 1.4 of this RFP) may disqualify the Bid Response from consideration. If a form is not provided, the Bidder may produce their own document with the required/requested Bid Response information.

3.3.6. ADDITIONAL INFORMATION/ADDENDA

The Town will issue responses to inquiries and any other corrections or amendments it deems necessary in written addenda issued prior to the bid opening date. It is the Supplier's responsibility to check for addendums (under Bid Opportunities) on the Town's website.

Suppliers must acknowledge any issued addenda. Bids which fail to acknowledge the supplier's receipt of any addendum will result in the rejection of the bid if the addendum contains information which substantively changes the Town's requirements.

3.3.7. PROPOSAL PRICING, ERRORS AND OMISSIONS

3.3.7.1. In the event there is a discrepancy between a unit price submitted and the extended price, the unit price will prevail.

3.3.7.2. All corrections, changes or erasures to the proposal submission are to be initialed in ink.

3.3.8. WITHDRAWAL OF BID

A supplier may withdraw his bid before the submittal deadline without prejudice to the supplier by submitting a written request of withdrawal to the Procurement Analyst.

3.3.9. LATE SUBMITTAL, LATE MODIFICATIONS & LATE WITHDRAWALS

Bid submittals received after the bid opening date and time will not be accepted. Modifications received after the bid opening date will not be considered. 3.3.10. MINIMUM BID ACCEPTANCE PERIOD

Bids shall be valid and may not be withdrawn for a minimum period of 90 days from the date specified for receipt of bids. Suppliers will be asked for an 'expiration date' for the bid submitted, when appropriate. This does not impact the contract price once a bid has been awarded.

3.3.11. DISQUALIFICATION OF BIDS OR SUPPLIERS

Suppliers may be disqualified from participation in the bid process for reasons which include, but are not limited to the following:

3.3.11.1. Evidence of collusion;

- 3.3.11.6. Any offering of gifts, unauthorized compensation or other unethical actions to Town employees with respect to interest in any business activity;
- 3.3.11.7. Any false statement or misrepresentation in any portion of the Bid Packet, including but not limited to, misrepresentations regarding prior or current lawsuits or OSHA violations; or

3.3.12. REJECTION/CANCELATION/AWARD OF BIDS

The Town reserves the right to:

- a) reject any and all submittals received outside the time/place stated in the notice;

- d) reject any or all bids or any part thereof;
- e) obtain clarification on any point in a respondent submittal or obtain additional information;
- f) accept the bid that receives the best evaluation from the Evaluation Committee based on the evaluation criteria set forth within this RFP, regardless of whether or not it is the lowest bid;
- g) award the bids received on the basis of individual items or on the entire list of items.

The Town also reserves the right to cancel this bid at any time and will not be liable for any cost/losses incurred by the Supplier throughout this process.

Where applicable, the Town reserves the right to make multiple awards or to award a contract by individual line items or alternatives, by group of line items or alternatives, or to make an aggregate award, whichever is deemed most advantageous to the Town. If the Town determines that an aggregate award to one supplier is not in the Town's best interest, "all or none" offers will be rejected.

All expenses involved with the preparation and submission of the bid to the Town, or any work performed in connection therewith, is the responsibility of the supplier(s).

Any resulting contract shall not be binding upon the Town nor should any action be started until it has been executed by both parties and a copy of the fully executed contract has been delivered to the successful Supplier. - (f) Name and address to which payment is to be sent.
- (g) Name (where practicable), title, phone number, and mailing address of person to notify in the event of a defective invoice.
- (h) Any other information or documentation required by the contract (e.g., evidence of shipment).

4.3.2. A summary invoice shall be provided for all deliveries made during a billing period, identifying the delivery tickets covered therein, stating their total dollar value. A summary invoice shall be supported by receipt copies of the delivery tickets. Delivery tickets or sales slips shall contain:

- (a) Name of supplier
- (b) Purchase Order number
- (c) Ship to Department and Address
- (d) Description, Quantity, unit price, and extension of each item.
- (e) Date of delivery or shipment.

4.4. TAX LIABILITY

The successful supplier will be provided with the Town's Sales and Use Tax Certificate of Exemption number upon request.

4.5. PAYMENT

Payment will be made for items accepted by the Town; standard terms are net 30.

4.6. ESTIMATED QUANTITIES

The quantities of items specified in the Bid Schedule are estimates only and are not purchased by this contract. If the Town's requirements do not result in orders in the quantities described as "estimated", that fact shall not constitute the basis for an equitable price adjustment. Delivery shall be made only as authorized by orders issued in accordance with the Ordering clause. Subject to any limitations in the Order clause or elsewhere in this contract, the Supplier shall furnish to the Town all items specified in the Bid Schedule and called for by orders issued in accordance with the Ordering clause.

4.7. ASSIGNMENT OR NOVATION OF CONTRACT

The Supplier shall not assign or transfer, whether by Assignment or Novation, any of its rights, duties, benefits, obligations, liabilities, or responsibilities under the Contract without the written consent of the Town; provided, however, that assignments to banks, trust companies or other financial institutions for the purpose of securing a bond may be made without the consent of the Town.

4.8. TERMINATION FOR CAUSE

The Town reserves the right to terminate the resulting contract, in whole or in part, for failure to comply with any provisions of the contract as outlined by providing a written notice to the Supplier at least thirty (30) days before the effective date of termination. The Supplier will not be relieved of any outstanding responsibilities or unfinished

obligations under this contract. Receipt of items by the delivery date is critical to the terms of this contract. The Town considers late delivery of contract items as reasonable cause to terminate the contract.

Prior to termination, a Cure Notice will be issued by the Town. The Notice will identify the problems and deadlines that need to be met to remedy the problems to avoid termination for default. If the Supplier does not respond with an acceptable action plan to remedy the default or commence to remedy the default within a period of five (5) business days (or such longer period as the Town may authorize in writing) after the issuance of notice, the Town may issue termination for cause.

The Town retains all other legal or equitable rights or remedies existing as a result of said default, including, but not limited to, any legal process necessary to obtain any sureties securing this contract.

4.9. TERMINATION FOR CONVENIENCE

The Town reserves the right to terminate the resulting contract, in whole or in part, in the event the Town determines that such termination is in the best interest of the Town. Any such termination shall be affected by the delivery of a notice specifying the extent to which performance of work under the contract is termination and the date upon which the termination becomes effective. Upon receipt of notice, the contractor shall immediately discontinue all services affected, unless the notice directs otherwise. The Town will make payment of deliverables satisfactorily executed according to industry standards or proven loss with respect to materials, etc., but no amount shall be allowed for anticipated profit or unperformed service.

4.10. TERMINATION FOR FUND APPROPRIATION

The Town may unilaterally terminate this Agreement due to a lack of funding at any time by written notice to the Supplier. In the event of the Town's termination of the resulting contract for fund appropriation, the Supplier will be paid for those services actually performed. Partially completed performance of the Agreement will be compensated based upon a signed statement of completion to be submitted by the Service Provider which shall itemize each element of performance

4.11. CHANGES

All work and materials furnished for this project shall be made in conformance with the contract documents. Changes in the scope of work or the terms and conditions of this contract may be made only by written agreement of the parties. Changes that involve an alteration to the payment amounts shall not commence until approved by the Town and a Change Order has been issued.

4.12. REPORTING DISPUTES

The Supplier shall report any contract disputes and/or problems to the Procurement Analyst, both verbally and in writing within 48 hours of their occurrence.

5. SECTION V –INSURANCE REQUIREMENTS

Prior to commencing work, the Supplier shall procure and maintain at their own cost and expense for the duration of the agreement the following insurance against claims for injuries to person or damages to property which may arise from or in connection with the performance of the work or services hereunder by the Supplier, his agents, representatives, employees or Subcontractors. A Certificate of Insurance (COI) and any other documents required by the Town must be submitted to the Town prior to the commencement of any work. In the event of failure to supply the required documentation, the Town shall have the right to recover any costs or damages incurred.

The Town of Central, its agents, elected officials, and employees shall be included as additionally named insured with respect to all liability policies herein except the professional liability coverage and worker's compensation which shall be indicated on all applicable certificates of insurance. Workers' Compensation coverage is required as a condition of performing work or services for the Town whether or not the Supplier is otherwise required by law to provide such coverage. The Supplier shall supply the Town with proof of compliance with the Workers' Compensation Act while performing work for the Town by way of a COI. This proof must be received by the Town **prior to** the commencement of work. If the Supplier does not meet the requirement for workers' compensation coverage, the certificate of insurance shall state that the contractor waives subrogation in regard to workers' compensation.

5.1.2. Workers' Compensation and Employers' Liability and Property Coverage

The insurer shall agree to waive all rights of subrogation against the Town, member of its' Town Commission, boards, commissions and committees, officers, agents, employees and volunteers for losses arising from activities and operations of the Supplier in the performance of services under this Agreement (*see 5.1.4.1*).

5.1.3. Acceptability of Insurer

Insurance is to be placed with South Carolina admitted 'A' rated carriers or better by A.M. Best's rating service.

5.1.4. Verification of Coverage

The certificates and endorsements for each policy are to be signed by a person authorized by that insurer to bind coverage on its behalf. The certificates and endorsements are to be received and approved by the Town before work commences.

5.1.5. Subcontractors

Subcontractors must also be insured under the policies of insurance required herein.

Conflict of interest. A Conflict of Interest exists when personal interests interfere in any way with the best interest of the Town. This can arise if any agent of the Town or their families will receive a monetary or other type of benefit based on the award of this project or if any supplier has an unfair competitive advantage over other suppliers. A conflict is also perceived if any previous history would make it impossible for the supplier to objectively fulfill the obligations associated with this project.

I certify that there is no known conflict of interest with the Town or any employee or agent of the Town. There is presently no interest and no interest shall be acquired that would directly or indirectly conflict in any manner with the performance of this solicitation, should it be awarded.

SUPPLIER'S RFP/ITB CHECKLIST

- ___1 **Read the *entire* document**, paying close attention to critical items such as: supplies/services required; submittal dates; number of copies required for submittal; contract requirements (e.g. bonding and insurance requirements); etc. Note that all RFP specific information noted in Section I or in a special Specification section, if there is one, take precedence over the general terms and conditions listed in Section II.
- ___2 **Note the Procurement Agent's name and e-mail address.** With the exception of written technical questions sent to the project manager, the Procurement agent is the only person you are allowed to communicate with regarding the RFP/ITB from inception until after award.
- ___3 **Attend the pre-proposal conference** if one is offered. These conferences provide a valuable opportunity to ask clarifying questions, obtain a better understanding of the project, or to notify the Town of any ambiguities, inconsistencies, or errors in the RFP/ITB. Pre-RFP conferences are not usually mandatory, but are a source of important information and attendance at them (as well as any other RFP-related meetings) are considered part of the evaluation criteria.
- ___4 **Take advantage of the 'question / answer' period.** Submit your questions to the Procurement Agent (or Project Manager and copy the Procurement Agent) by the due date listed in the *Schedule of Events*. Even though you may get a direct response for questions you have asked, a formal addendum will be issued to address any substantive questions so all suppliers will have access to the additional pertinent information.
- ___5 **Follow the format required in the RFP/ITB** when answering questions and item details. Provide point-by-point responses to all sections in a clear, concise manner and in the order, they were requested.
- ___6 **Provide complete answers/descriptions.** Read and answer **all** questions and requirements. Make sure all items have a response, even if it is a 'n/a'. Don't assume the Town or evaluation committee will know what your company capabilities are or what items/services you can provide, even if you have previously contracted with the Town. Proposal submissions are evaluated based solely on the information and materials provided in your response.
- ___7 **Use the forms provided**, e.g. cover page, cost proposal form, standard forms, registration, etc. Make sure to include all required forms (in the proper order) with your submission. You do not need to send a copy of the RFP itself with your response.
- ___8 **Supplier registration.** Supplier registration includes both information needed by the Town and affidavits/ information required by the State of South Carolina. The Town cannot award an RFP to a supplier with incomplete registration. Registration is now done online and you can check to see if your profile is compliant (has both EV affidavit and W9) by logging in with your user-id and password. Even if you are not providing labor and do not need an E-Verify number, you will need to note the appropriate reason and sign.
- ___9 **Check the Town website for RFP/ITB addenda.** All addenda issued for the RFP/ITB are posted on the Town's website under the associated RFP posting. Do not assume that if you received an individual notification of the RFP, you will receive all addenda. Notifications are a courtesy effort and the Town cannot guarantee that an email notification will reach all of the intended recipients. Before submitting your response, check the website at <https://cityofcentral.org/recent-news> (select 'Resources', then 'RFP Opportunities') to confirm if any addenda were issued for the RFP/ITB. If so, you must acknowledge each addendum on the Response document.
- ___10 **Review and read the RFP/ITB document again** to make sure that you have addressed all requirements. Once the RFP deadline has been met, you will be unable to make changes to your response. Your original response and the requested copies must be identical and complete. The copies are provided to the evaluation committee members and will be used to rank your response.
- ___11 **'Package' your response in the recommended order** of section 1.4. When response submittals are packaged in the same manner, evaluators are able to review them in a more timely, thorough and equitable manner.
- ___12 **Submit your response on time.** Note all the dates and times listed in the *Schedule of Events* and within the document, and be sure to submit all required items on time. Late submissions will not be accepted.

This checklist is provided for assistance only and does not need to be submitted with the Supplier's Response.
