TOWN OF
WASHINGTON
LOUISIANA
ESTABLISHED 1720

Supported by the Office of the Lieutenant Governor, Love the Boot Week, happening April 17-23, 2023, is our state's Earth Week initiative intended to bring awareness to Louisiana's litter problem while empowering organizations and individual citizens to participate in community cleanups and beautification events.

We are excited to partner with @KeepLouisianaBeautiful and participate in #LovetheBoot Week! We will be hosting a litter cleanup/beautification event on Saturday, April 22, 2023 at 8:00 AM at Ethel Park. Only together, can we clean up Louisiana!
