

Dear Friends of Washington,

The Town of Washington and the Ethel Park Committee invite you to join us for a groundbreaking ceremony at Ethel Park on Sunday, January 24, 2021 at 2:00 p.m. The Washington Garden Club will be providing refreshments, and a donation box will be available if you have not yet had an opportunity to donate. Several local partners are working together to redevelop a vacant lot in the town of Washington across from the Town Hall into a community garden/green space called Ethel Park.

We would also appreciate any donations in kind or if you would like to sponsor a bench or other fixture for the park.

Bring the kids and their dump trucks to help spread the dirt!

We look forward to seeing you Sunday afternoon to celebrate this momentous occasion for our town. Please spread the word!

Please call me at 225.721.1209 if you have questions.

Many thanks,

Hallie
