

Our mission is to reduce fire related injuries and/or deaths by providing free smoke detectors and installation to vulnerable citizens within the Fire Dist #3 response area. Quantities are limited. The life you save could be yours or a loved one.

St. Landry Fire Dist #3 is proud to be involved in operation save a life which is in cooperation with the Louisiana State Fire Marshal's Office. The goal of the campaign is to bring awareness and to reduce fire related injuries and/or deaths by providing free smoke detectors and installation to vulnerable citizens within the Fire Dist #3 response area. Quantities are limited. The life you save could be yours or a loved one. To apply for and see if you qualify contact us at 337-948-3045 or come by at 887 Hwy 749 Opelousas La 70570, most will qualify. We are located on the airport road near the national guard armory in Opelousas. The qualifications are you must live in the Fire District 3 response area and not have an operable smoke detector or if your smoke detectors are over ten years old.
