

## Self-Assessment Damage Reporting Tool

DAMAGE ASSESSMENT FORM - St. Landry Parish encourages residents whose home or business has experienced storm damage, including wind, and/or flooding as a result of Hurricane Laura, to fill out a Damage Assessment Form. This information not only documents the impact of the storm on individuals, families, and businesses, it also assists the Parish in qualifying for future federal funding.

The form may be completed online at [www.stlandrypg.org](http://www.stlandrypg.org)
