The Honorable William Dwight Landreneau  
Mayor of the Town of Washington  
405 N. Washington St.  
Washington, LA 70589

Dear Mayor Landreneau,

Due to recently reported improvements in the fiscal health of the Town of Washington (Town), we have determined that fiscal monitoring by our Advisors is no longer needed. The decision is based on the Town's improved fiscal health, including, but not limited to the following:

- Resolution of prior year going concern;
- Increase in total net position and governmental fund balance; and
- Elimination of negative fund balances.

If you have any questions or require further assistance, please contact Michael Battle, Senior Manager of Advisory Services, at [mbattle@lla.la.gov](mailto:mbattle@lla.la.gov) or (225) 339-3858.

Sincerely,

Michael J. "Mike" Waguespack, CPA
