COMCAST INFO:

Several of you shared the Free 60 Days of Comcast Service info below. Please know that the district will be working to get free hotspots into the hands of families that need them. You can share the Comcast info with families, but I would be clear that the district is not endorsing their services, but sharing info we have about services available. They have not been easy to work with in the past in terms of late fees, etc.

SOME AGENCIES THAT ARE PROVIDING ALTERNATIVE SERVICES: YES

In response to the COVID-19 outbreak in our community, and our commitment to the health and safety of our staff and clients, Youth Eastside Services (YES) will close all of our physical buildings March 17th through at least March 31st. During this time we will continue to provide services to existing clients and program participants by phone, telehealth (HIPAA compliant video and voice) and possibly other virtual means such as Zoom. This will allow us to stay connected to our clients/community and maintain continuity of care.

Phone messages can be left for YES staff during this time by calling (425)747-4937. We will be checking messages on the main YES voicemail regularly between the hours of 8:00 a.m. and 5:00 p.m. Monday through Friday. We will also be checking fax machines as able throughout the week. You can reach out directly to me during this time with questions by email or my cell phone – 206-962-9355.

LIFEWIRE

Advocates and Therapists continue to meet with client regularly by video or phone and answer the 24-hour helpline which is forwarded. We have stopped offering support groups during this time, but all other services are able to continue remotely. Therapy sessions are currently being conducted by phone, which is not a best practice, but we are looking into a HIPAA-compliant video chat method that will allow Therapists to meet with participants “face to face.” In order to meet immediate needs for diapers, wipes and formula, the Resources Manager picks up donated items for families from Eastside Baby Corner once per week and brings them to the office, where families can pick them up at designated times.
