

Villagers –

Lakeside Paving will be repaving **103<sup>rd</sup>, 28<sup>th</sup>, 102<sup>nd</sup> and SE 27<sup>th</sup> May 3-6**. This will finish construction of the 2019 and 2020 Water Line Replacement and Storm Water projects. Affected residents will have access to their houses in the evenings, and we ask that all neighbors in the Village help with parking accommodations during the day.

**Please note that all work is weather dependent.**

**May 9-10, 2022:** KC Roads – Lakeside; stage 1 of pavement restoration activities

**Stage 1** will include the grinding work and a base patching layer of asphalt. This work is scheduled for Tuesday and Wednesday, 5/9 – 5/10. You will have access to your property during this time but may be delayed entering and leaving by up to 15 minutes.

**May 12-13, 2022:** KC Roads – Lakeside; stage 2 of pavement restoration activities

**Stage 2** will include the final overlay work. This work is tentatively scheduled for Thursday through Friday, 5/12 – 5/13 (weather dependent). Please be aware there are times when you will be unable to access your property for extended hours, even full days, during this period. Emergency services (i.e., fire, ambulance, police, etc.) will be notified well in advance and arrangements made as needed. Personal vehicles can be parked in any available public right-of-way space outside the construction zone and traffic-control personnel will be on-site to aid pedestrians through the active work areas.
