### **Lamberton Fire Department Receives \$2,500 Grant from Bayer Fund**

---

#### *Donation to help obtain Vehicle Stabilization Braces/Struts*

---

Lamberton, MN / 5/22/2020 – The City of Lamberton announced today it received a grant for \$2,500 from Bayer Fund, which will be used to purchase Vehicle Stabilization Braces/Struts for the Lamberton Fire Department.

*With the purchase of this equipment, Lamberton Fire Department will be able to more safely respond to emergencies involving unstable vehicles. - Tom Neperman, Fire Chief*

This grant will not only provide support to our organization, but also the community we serve by allowing us to keep our firefighters safe in the unsafe situations they enter in support and defense of our community.

“Throughout the years, the grants given through Bayer Fund have helped strengthen our communities across the United States,” said Al Mitchell, President of Bayer Fund. “We’re proud to be able to provide support to develop programs that help combat challenges such as food insecurity, STEM (Science, Technology, Engineering and Math) education and support services to patients and families managing an illness or disease.”

In 2019, Bayer Fund awarded more than \$14 million to over 3,200 charitable and nonprofit organizations to help address essential needs in food and nutrition, STEM education and community development. Over the last five years, nonprofit organizations across the U.S. have received more than \$79 million.
