

# WHAT TO DO WITH OLD VEHICLES AND APPLIANCES?

There are a few options you have to getting rid of old cars and appliances. There are places that will pick them up and there are places you can haul them to. Pick the option that works best for you.

## **Ron's Recycling - 507-828-5743**

**Vehicles** - Ron will come and pick up your old cars and pay you a flat \$100. You need to provide a clear title or guarantee it is a clear title.

**Appliances** - Ron will take appliances. He does not pay for them. If he has multiple at your site or in the same town he will not charge to pick them up. Ask him when you call him to make sure.

## **Hilltop Recycling - 507-648-3398**

**Vehicles** - You can haul your vehicles there or they will pick them up. If you need to have the vehicles picked up, give them a call and they will quote you a price that they will pay you - hauling will be deducted.

**Appliances** - They do not charge if you bring your appliances in, but they do not pay you for them. They will provide the service of getting rid of them for you. They do not accept electronics.

## **Nelson Towing & Salvage 507-641-3061**

**Vehicles** - Will pay approximately \$210/ton. There is \$100 Charge to pick vehicle up.

**Appliances** - They do not charge if you bring your appliances in, but they do not pay you for them. They will provide the service of getting rid of them for you. They do not accept electronics.
