Dear Water User:

Based on a previous recommendation by the Rural Community Assistance Program, we should review water rates annually and make any adjustments based on the Consumer Price Index (CPI). After our review, we have adopted the following new rate schedule effective January 1, 2024.

The following codes refer to: BI (Bergman Inside City Limits), BO (Bergman Outside City Limits),  
TF (Tyson Foods), ZE (Zinc Extension)

	Base Per 1000 (gallons)	Next 2000 Per 1000 (gallons)	Next 2000 Per 1000 (gallons)	Over 5000 Per 1000 (gallons)
BI	27.54	6.00	5.00	4.00
BO	29.07	6.00	5.00	4.00
TF	6.50	6.50	6.50	6.50
ZE	37.79	5.00	5.00	4.00
