## **FOR IMMEDIATE RELEASE**

January 8, 2024

### **Snow Emergency**

Based on the current National Weather Service forecast for our area, a Snow Emergency is being declared for Carbon Cliff beginning at 6:00 pm, on Monday, January 8, and ending on Wednesday, January 10, at 6:00 p.m. The National Weather Service is predicting heavy snow with accumulations of 7 to 12 inches. Winds could gust as high as 40 mph Tuesday afternoon through Tuesday night leading to considerable blowing and drifting snow.

All streets and roadways within the Village Corporate Limits are designated snow routes. Parking on the street is prohibited during a Snow Emergency. Vehicles parked on the street will receive a \$75.00 parking ticket even if the vehicle is not towed. For streets without curb and gutter, the area plowed will extend six (6) feet off the edge of either side of the street's main surface. Vehicles must remain off the street for 72 hours after the storm has ended or until the Village releases the snow emergency.
