This UDO shall not affect valid

private covenants whose standards are above and beyond those of this UDO and which are not enforceable by the PC.

4. Other Jurisdictions and Approvals. Nothing in this ordinance shall eliminate the need to obtain any other approval or entitlement required by other provisions of the jurisdiction, the State, or Federal Agency.

C. Transition Policies.

1. Pending Applications and Permits.
 - a. Pending Applications. Applications that have been received and submitted in a complete manner prior to the adoption of this UDO shall continue their respective process pursuant to the rules and provisions that were in place at the time of filing. If the previous provisions did not identify an expiration for primary plat approval and an application for secondary plat (all or in part) has not been received and completed within two (2) years after the date of the adoption of this UDO, then said primary plat shall automatically expire two (2) years after the date of the adoption of this UDO.
 - b. Secondary Plat. As long as the approved primary plat for a subdivision remains valid and has not expired, and the lot standards, structure standards, and utility standards that were in place in the Zoning Ordinance and/or Subdivision Control Ordinance at the time the primary plat was approved shall apply to the secondary plat (all or in part) included in the primary plat approval.
3. Commitments or Conditions. Commitments or conditions (whether recorded or not) that were made as part of approval before the Town Council, PC, or BZA or part of an application for a BP or ILP prior to the adoption of this UDO shall remain in full effect regardless of any resulting changes in regulations that are established by this UDO. Commitments or conditions may be modified pursuant to the applicable process outlined in Chapter 5: Zoning Ordinance Administration and

Procedures of this UDO and/or the applicable PC Rules and Procedures and/or BZA Rules and Procedures.
