

Dear Parents/Guardians, Ball Players-Please read the following information carefully:

\*Persons wishing to play baseball/softball this summer must be signed up by March 31, 2023.

\*If you need to make arrangements for installments please talk to any board member. We do not want this to keep a child from playing ball.

\*ALL fees need to be paid or arrangements made before games start. This will be enforced.

\*No late registrations will be accepted. There will be no exceptions made.

\*IF there are not enough players signed up to play in a particular age group, all money will be refunded and the player can enter the KBSA draft and play on a team in Kirksville.

Players must enter the KBSA draft and pay the KBSA fees to be on a team other than from Schuyler County.

**\*Letters requesting players to play up to the next age group must be attached to this form.\***

Teams will NOT be formed unless a complete roster for the age group meets the sign-up deadline. If more than one team is needed per age group, the teams will be divided according to rules adopted by the SCBSA at the January 15, 1992 meeting. This includes **NO COACHING REQUEST AND NO TEAMMATE REQUEST.**

Also, as a board we are trying to keep your child playing with their appropriate age group. We do realize that some circumstances may exist and we may need to move a player(s) around to different age groups to fill them out. The board will have the final say in any player(s) changing age groups.

\*\*\*\*\*

I, the parent/guardian of the undersigned player, who is a candidate to become a player member of the SCBSA hereby give my consent to his/her participation in any and all activities of the SCBSA.

I do hereby release, absolve, indemnify, and hold harmless the Schuyler County Baseball/Softball Association, organizers, board members, coaches and umpires from liability of all baseball/softball players.
