

Family, Fun, and Food

Are you looking for an opportunity to cook with your child?

When you join this fun hands-on class, you and your child will cook, eat and play together. The program is designed for children ages 8 to 12 and the adult who prepares their meals. Each week you will receive a handout packet with information from the lesson including a copy of the recipe that was prepared during class.

What you will do:

- Cook and eat simple and tasty recipes together
- Play fun and active games
- Develop cooking and nutrition skills
- Enjoy spending time with your child
- Learn about the importance of family mealtimes
- Learn to set health goals for your family
