

LANCASTER RESIDENTIAL TRASH COLLECTION GUIDELINES

Guidelines:

Each household will be provided with one bin. Additional cans may be requested through RTS with the additional can being \$5.00 per month per can. Additional cans will be billed annually by RTS.

- Trash to be placed curbside the night prior to scheduled collection, or on collection day prior to 6:00am. All containers must be kept in areas of easy accessibility.
- Items not accepted for curbside residential collection include: Building materials and demolition waste, solid waste mixed with or contaminated by toxic or hazardous waste.
- RTS will provide monthly bulk pickup to residents on the first pickup of the month. Bulk items are limited to the size and weight that two men can pick up and load. Items to be collected include: televisions, couches, tables, chairs, and other furniture, bed springs and mattresses, rugs and rug pads, lawn furniture, large toys, swing sets (dismantled) barbecue grills, sinks and bathroom furniture. (No piles of bags from house clean out). Appliances must have documentation that the appliance has had the refrigerant removed by a qualified person or entity for the specific item to be picked up. Additional bulk items may be picked up at any time by making arrangements with RTS office, additional fees may apply.
- Property clean-ups by landlords or any type of commercial property items are not part of the bulk pickup. Those must be contracted separately through RTS office.
- RTS may decline to collect any waste which is not properly contained or placed at the curb for collection, or which contains any waste which RTS has not agreed to collect.
- All waste within cans must be bagged.

Yard Waste Collection:

- Yard waste (grass, brush, leaves, etc.) is not accepted with this program
