The Schuyler County Cancer Relief Fund is a local, 501(c)(3) nonprofit organization that was formed in 2012 to address the need for moral support, care and financial assistance to those afflicted with cancer in Schuyler County, Missouri. The Schuyler County Cancer Relief Fund is able to provide financial assistance to those who have resided in the County for twelve months and are receiving active treatment of cancer through contributions from family, friends, strangers and fundraising. 100% of all the money collected stays in the County and fund availability is not based on income. Since 2012, the organization has been able to help 186 different individuals thanks to the generous donations received from the County and surrounding communities.
