

# Kirklin Residents

## We need your help to apply for Grant Dollars

The Town of Kirklin hopes to apply for a Community Development Block Grant (CDBG) through the Indiana Office of Community & Rural Affairs (IOCRA) for a Planning Study for a Stormwater and Water Utility Master Plan.

But we need your help!

The CDBG Program is a federally funded grant program intended to benefit community projects.

Communities hoping to apply for grant dollars must conduct an income survey of households benefiting from the grant, i.e., households within the Town of Kirklin.

### HOW CAN YOU HELP?

In the next couple of weeks, an income survey will be mailed to randomly selected households. Please take a moment to complete the survey and return it in the self-addressed, stamped envelope.

All information gathered is confidential and only a collective summary will be included in our grant application.

Questions regarding the GRANT, call:  
Tara Walker, Clerk Treasurer  
Office 765-279-8786

### About the Community Development Block Grant Program (CDBG):

Rural communities have many pressing needs that require outside financial assistance. Through the Office of Community and Rural Affairs, Indiana requests federal funds to help rural communities with a variety of projects that include sewer and water systems, community centers, health and safety programs, fire stations, and many others.

OCRA is committed to assisting in financing appropriate projects for communities and counties that have planned and set priorities for long-term development.

The goals of the Infrastructure programs are:

- Protect the health and environment
- Cut stormwater treatment and energy costs
- Improve rural infrastructure to enable long-term economic growth
- Protect rivers, lakes, and vital landscape
- Generate jobs and spur economic revitalization
