**ATTENTION Kirklin Residents:**

The Town of Kirklin is applying for a loan/grant thru the Indiana Finance Authority and is trying to determine whether the town qualifies for the Federal Bi-Partisan Infrastructure Law Funding program. As a part of this application, the Town has decided to perform an income survey to determine whether the town will qualify for funding awarded to the IFA thru the federal Bipartisan Infrastructure Law. If awarded, these funds will be used to make necessary improvements to the sanitary sewer collection system and the wastewater treatment plant.

Your support and participation are crucial to providing Kirklin the opportunity to apply for these federal grant dollars. In the next several weeks, we will be mailing surveys to Kirklin residents. Please take a moment to complete the survey and return it in the self-addressed, stamped envelope. You can also take your completed survey to the town hall and give it to the clerk treasurer. The survey can also be accessed thru the Town's official Website at [www.kirklinindiana.org](http://www.kirklinindiana.org) and may be completed and returned to the utility office at the town hall.

The survey will only take a minute of your time and has been designed to be as non-intrusive as possible. It will simply ask whether your household income is above or below a certain number, based on your 2021 tax year. Without your completed survey, we cannot apply for these federal grant funds. All information provided will be kept confidential. Official representatives of the Town will never ask for any personally identifiable information such as your social security number or bank account information.

Your participation is greatly appreciated! If you have any questions, please call the Kirklin Clerk Treasurer, Mary King at 765-279-8786.

Thank you!
