**City of Rio Hondo
Boil Water Notice Rescinded
January 24, 2023**

On January 19, 2023, the Texas Commission on Environmental Quality required the City of Rio Hondo public water system, TX0310006 to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicate that the water no longer requires boiling prior to use as of January 24, 2023 at 12:00 noon.

If you have questions concerning this matter, or need a copy of this notice in Spanish language you may contact Ben Medina at 956-748-2102 at City Hall at 121 N. Arroyo Blvd. Rio Hondo, TX 78583.

The public water system customers can reach the public water system at the number listed in this notice. If a customer, individual, or employee wishes to contact the Texas Commission of Environmental Quality Executive Director, please call (512) 239-4691
