

Proposed Expansion of the Town of Victoria Enterprise Zone

The Town of Victoria along with the Town of Kenbridge and Lunenburg County have areas in and around the towns designated as enterprise zones. Enterprise zones are part of the Virginia Enterprise Zone.

The Virginia Enterprise Zone (VEZ) program is a partnership between state and local government that encourages job creation and private investment. VEZ accomplishes this by designating Enterprise Zones throughout the state and providing two grant-based incentives, the Job Creation Grant (JCG) and the Real Property Investment Grant (RPIG), to qualified investors and job creators within those zones, while the locality provides local incentives.

The Town of Victoria is planning to add approximately 1.33 acres to the towns existing zone. The proposed additional area is located in the area bordered by Main Street and Nottoway Boulevard as shown in the map below.

A public hearing will be held on Tuesday, December 13, 2022 at 7:00 Pm at the Victoria Municipal Building, 1809 Main Street, Victoria, VA to solicit public comment on this proposed expansion.
