

Proposed Addition to Chapter 32, Article II, Division 2:

Sec. 32-56 – Water connections required where available

The owner of any residence or building used for human occupancy, employment, recreation, or other purposes, situated within the town, and abutting any street, alley, or right-of-way in which there is located a public water main of the town shall make suitable and proper connections with the water line at the property owner's expense.
