

The Town of Victoria is honored to offer the Hometown Hero Banner Program to honor residents, current or former, of the community for their service. Members of the Armed Forces, fire department, emergency medical services, or law enforcement are eligible to be recognized through this program.

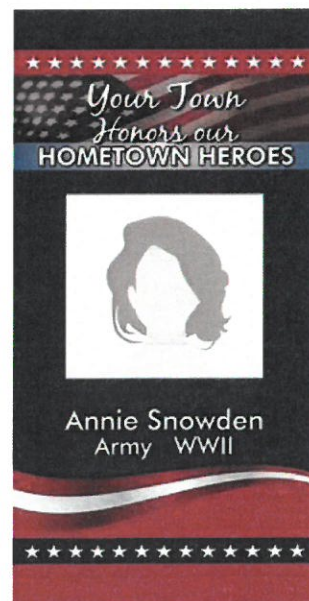

The banners will be displayed on Main Street and the connecting side streets that have streetlights with banners. There are 34 light poles capable of displaying a banner. Due to the limited number of spaces, all banners will be first come-first served.

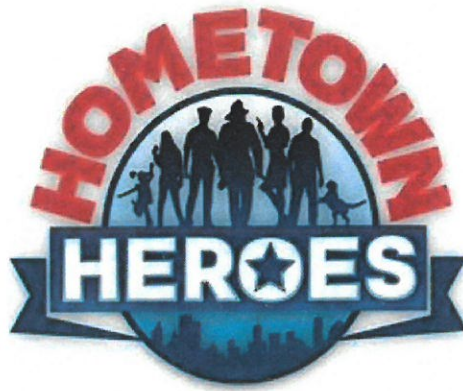

Two styles of banners are available. A double-sided single person banner displaying the same picture and wording on both sides is available for \$134.00. A double-sided two-person banner displaying a different picture and wording on each side is available for \$150.00. All banners will be the same style.

Banners will be displayed from mid-January through mid-June each year. At the end of the display period, you may choose to keep your banner or allow the town to maintain possession of it for display the following year at no cost.

Applications for the Hometown Hero Banner Program are available on the town website, www.victoriava.net or at the town office. Applications are due by **September 30th** prior to the next display period. Payment in full is due with the submission of the application.

Please make checks payable to **Town of Victoria**.

For more Information, please Contact the Town Office 434-696-2343

Example:

- We plan to have First Presentation Mid-January they will be displayed until mid-June
- Banners are on Vinyl and come with a UV clear coating which helps to protect from fading and cracking
- They come with grommets so you can attach to the banner hardware and secure tightly to prevent premature wear and tear
