

The VOPV Community Collection Area (CCA) offers the following services:

Residents can drop off household items too large to put in their green trash can at the CCA, such as: electronics, metal, tires, household hazardous waste, and “hobbyist” levels of construction debris. The items are limited to the amount fitting into a level standard pickup truck bed.

CCA Hours of Operation

1st & 3rd Saturday of the Month 10 AM – 2 PM

Requirements for using the Community Collection Area (CCA):

1. Residents must present proof of residency (Driver License, Water Bill, or POA Card)
2. There is a limit of 3 level standard pickup truck bed deliveries per day the CCA is open.
3. Contractors are not authorized to use the CCA. This includes contractors providing mowing, trimming, or home remodeling services for residents.

*****Major Remodel and New Construction Material are NOT Accepted – obtain your own trash box/dumpster*****

Drop-Off Items Accepted at the Community Collection Area (CCA):

Household Items too large for green trash can – Examples:

- Mattresses
- Lawn Chairs
- Furniture
- Children's Pools
- Pet Carriers
- Trash Cans
- Boxes
- Lumber no longer than 36"

Electronics – If it plugs in, we probably accept it. Examples:

- Televisions
- Mobile Devices
- Computers
- Printers
- Video Game Consoles
- Cameras
- Vacuum Cleaners
- Stereo Equipment

Metal – Examples:

- Air Conditioners
- Hot water Heaters
- Washers
- Dryers
- Stoves
- Refrigerators
- Microwave Ovens
- Freezers

Tires and Wheels – Fees may apply in the future.

Household Non-Hazardous Waste – Examples:

- Batteries (Car and Household)
- Automotive Fluids
- Oil Filters
- Paint and Thinners
- Small Propane Tanks
- Household Cleaning Agents
- Anti-freeze
- Florescent Bulbs

- Improper disposal of household chemicals can pose a threat to health, and contaminate land, air, and water supplies.
- Whenever possible, avoid purchasing such items. If you must purchase them, buy them in quantities for immediate use.
- Please explore alternative products that are environmentally friendly and safer.
- Please transport products in their original containers. DO NOT MIX products.
- Place smaller items upright in sturdy containers.
- If an item leaks, pack it in a larger container and absorb the spill with cat litter.
- Transport chemicals in a non-passenger area of the vehicle.
