What To Expect:

- First Impact educates parents and teens regarding Missouri's Graduated Driver License (GDL) law.
- Attendance at First Impact is perfect for:
 - Parents of teen drivers, ages 14 – 19
 - New and soon to be teen drivers, ages 14 – 19
- First Impact aims to eliminate motor vehicle fatalities and injuries among teens. It further attempts to reduce teen involved crashes by increasing parental awareness and enforcement of Missouri's GDL law.

The Objectives of the First Impact Program are to Increase

- Awareness of teen driving risks
 - Understanding of Missouri's GDL law
 - GDL monitoring and enforcement at home
 - Importance of being a positive role model
-
- 90-minute evidence-based injury prevention program presented in ZOOM by law enforcement officers and trained facilitators.
 - The format will include a PowerPoint presentation, a video, and handouts (available upon request by mail). You will be provided an opportunity to ask questions.
