Sho-Me/MPUA/City of Waynesville – John Doyle presented a letter of intent from Sho-Me Power Electric • Cooperative to the City of Waynesville for us to sign that includes two features. The other feature is a service agreement in which the City is contracting with Sho-Me to service the substation. This service agreement starts out as \$61,000 and is subject to a 3% annual escalation clause. The first year the City was looking at around \$650,000 for wheeling costs and now looking at \$211,000, for a savings of around \$400,000 in the first year.
