

## **NOTICE OF PUBLIC HEARING**

The City of South Hutchinson, Kansas will hold a public hearing on September 22, 2025, at 7:00 p.m. in City Hall to present and discuss the proposed improvements for the wastewater treatment facility and collection system project. The improvements will be funded under the low-interest State Revolving Loan Fund Program through the Kansas Department of Health and Environment. The loan application will include funding for the following improvements:

- 1) Wastewater Treatment Facility improvements consisting of replacement of aging headworks equipment, installation of a new mechanical screen and pump, and upgrades to improve safety, lighting and maintainability with an estimated amount of \$1,483,000.
- 2) Sewer Collection System Improvements consisting of CIPP lining of deteriorated sewer mains and rehabilitation of an aging sanitary sewer lift station with an estimated amount of \$517,000.

The anticipated loan application request will be \$2,000,000 and the total project cost is estimated at \$2,000,000. The City is also requesting \$1,200,000 in loan forgiveness through the SRF program to help offset project costs. The proposed improvements will be explained and comments by the public will be considered. Oral and written comments will be accepted. Any written comments will become a part of the City's record of public hearing.
