

CAREFREE-CAVE CREEK CONSOLIDATED COURT

Language Access Plan (LAP)

I. Legal Basis and Purpose

This document serves as the plan for the Carefree-Cave Creek Consolidated Court to provide to persons with limited English proficiency (LEP) services that are in compliance with Title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d et seq.; 45 C.F.R. § 80.1 et seq.; and 28 C.F.R. § 42.101–42.112). The purpose of this plan is to provide a framework for the provision of timely and reasonable language assistance to LEP persons who come in contact with the Carefree-Cave Creek Consolidated Court.

This language access plan (LAP) was developed to ensure meaningful access to court services for persons with limited English proficiency. Although court interpreters are provided for persons with a hearing loss, access services for them are covered under the Americans with Disabilities Act rather than Title VI of the Civil Rights Act, and therefore will not be addressed in this plan.

II. Needs Assessment

A. Statewide

The State of Arizona provides court services to a wide range of people, including those who speak limited or no English. From a statewide perspective, the following languages were listed with the greatest number of speakers who spoke English less than “Very Well” in Arizona (according to the American Community Survey estimate report from the U.S. Census Bureau dated April 2014):

1. Spanish
2. Navajo
3. Chinese
4. Vietnamese

B. Carefree-Cave Creek Consolidated Court

The Carefree-Cave Creek Consolidated Court is responsible for providing services identified in this plan to all LEP persons. However, the following list shows the foreign languages that are most frequently used in this Court’s geographic area:

1. Spanish

This information is based on data collected from this Court’s data.

III. Language Assistance Resources

A. Interpreters Used in the Courtroom

1. Providing Interpreters in the Courtroom

In the Carefree-Cave Creek Consolidated Court, Court interpreters are provided in all courtroom proceedings at no cost to all LEP court customers. LEP court customers include the following: defendants, witnesses, victims, parents, guardians, and family members of minors, as well as any other person whose presence or participation is necessary or appropriate as determined by the judicial officer.

It is the responsibility of any privately retained attorney, Public Defender or Town Prosecutor to provide for qualified interpretation and translation services for witness interviews, pre-trial transcriptions and translations, and attorney/client communications during out of court proceedings. The Carefree-Cave Creek Consolidated Court will provide interpreter services for the above listed events if the Court also appoints counsel.

2. Determining the Need for an Interpreter in the Courtroom

The Carefree-Cave Creek Consolidated Court may determine whether a court customer has limited English proficiency. Identification of language needs at the earliest point of contact is highly recommended. The need for a court interpreter may be identified prior to a court proceeding by the LEP person or on the LEP person's behalf by counter staff, attorneys, social workers or correctional facilities. All LEP needs for parties are identified on the physical as well as the electronic case file.

Signage posted in the public lobby of the Carefree-Cave Creek Court indicates interpreter services are available. This signage helps to identify LEP individuals.

The need for an interpreter may also be discovered in the courtroom at the time of the proceeding. In a case where the court is mandated to provide an interpreter, the Court engages the services of contract interpreters or interpreting agencies. Alternatively, the Court uses the Language Line telephone service to provide telephonic interpretation services in any language. In the rare event where the court is mandated to provide an interpreter, but one is not available at the time of the proceeding, even after the court has made all reasonable efforts to locate one, the case will be postponed and continued to a date when an interpreter can be provided.

3. AOC Interpretation Resources

Court Interpreter Registry and Listserv

The AOC maintains a statewide roster of individuals who indicate they have interpreting experience and have expressed interest in working in the courts. The court using interpreting services will determine the competence of the persons listed. This roster is available to court staff on the Internet at <http://www.interpreters.courts.az.gov>.

Additionally, AOC created a statewide listserv to allow courts to communicate via email on court interpreter-related matters. The listserv is an excellent resource to locate referrals for

specific language needs. The Carefree-Cave Creek Consolidated Court is a member of this listserv.

B. Language Services Outside the Courtroom

The Carefree-Cave Creek Consolidated Court is also responsible for taking reasonable steps to ensure that LEP individuals have meaningful access to all court services and programs outside the courtroom.
