Note to Residents

RE: Hendricks Street Project

Dear Homeowner/Resident:

This letter is to inform you of an upcoming construction project in your area that will begin on July 21, 2025 and is expected to continue until the end of November 2025. The entrance to the Fireman's Park using Hendricks Street will be closed to all thru traffic for the duration of the project. Residents of Hendricks Street should have access to their homes during the road construction.

We understand that construction can be disruptive, and we are committed to keeping any inconvenience to our residents as minimal as possible. The contractor will also be working with GFL for garbage/recycling pick up during construction period and we will keep you informed.

If you have any questions or concerns about the project, please feel free to contact us at (920) 478-3025.

We appreciate your patience and understanding during this construction period.

Sincerely,

Jeanne Ritter
Clerk/Deputy Treasurer
