JAN

AR

In 2025 Whitewater opened the city up to mobile food vendors. Tacos El Poderoso, our first annually permitted truck, will serve the area from Bell Automotive every Wednesday in 2026!

JANUARY 2026

January 14, 1776:
 Thomas Paine published "Common Sense,"
 the pamphlet that convinced thousands of
 colonists that independence was not only
 possible, but necessary-setting the stage for the
 250-year story we celebrate in 2026.

January is here,
 With eyes that keenly glow—
 A frost-mailed warrior striding
 A shadowy steed of snow.
 – Edgar Fawcett,
 American poet (1847–1904)

City Council Meeting Highlights from 12/22/25

Full minutes will be posted upon approval: whitewaterks.gov

- The governing body approved the November meetings minutes.
- Thelma “Jeep” Edris provided cake and cookies for everyone as a thank you and welcome to those involved in the running of our small city.
- The first order of business was for the newly elected mayor and council member, and re-elected council member to take their official oaths of office. Their official roles beginning January 1.

Mayor

Timothy Eldredge

Council Member

Scott Silknitter

Council Member

Trent Clark

- The Cemetery Board has been hard at work to update the language for their codes and rules and regulations. Changes were presented before the governing body by Mrs. Cherry Stucky.
- End of year reports were given by the City Treasurer, Animal Control Officer, City Clerk and City Superintendent.
- Mayor Brady Gragg expressed his appreciation and well wishes to everyone present as this was his last council meeting as part of the governing body.
- Examples of new charter ordinances recommended by the codifying company were looked over and will be made official in 2026.

NEXT MEETING: MONDAY, JANUARY 26 @ 7:00PM

Agenda Items: Cemetery Revision Ordinance, New Charter Ordinances, Council President Elections, Boards and Committees Appointments

All are welcome at City Council meetings.

Public Comment time is available at the beginning of each meeting;

Please keep it to 5 minutes per person when addressing the council.

To discuss a specific topic, please contact the City Clerk to be placed on the agenda.

JANUARY IS KANSAS RADON ACTION MONTH!

It is important that you know your risks when it comes to radon.

Radon is a naturally occurring radioactive gas released in rock, soil and water that can build up to dangerous levels inside any home; this means new and old homes, well-sealed and drafty homes, and homes with or without a basement.

Breathing radon can increase your risk of lung cancer and is the number one cause of lung cancer among people who do not smoke. Homes with high levels of radon have been found in every state. In fact, radon levels can vary greatly from home to home--even levels next door can be very different.

Radon gas is odorless and invisible, and the only way to know if your home has a radon problem is to test for it. Take action today by visiting your local K-State Extension Office to purchase your radon test, and encourage your friends and family members to do the same!

"It Was Awesome"

REMEMBERING THE 2001 BRONCO STATE CHAMPIONSHIP

A 25-year reflection on the 2001 Bronco state championship and the dream that united a team and a community.

By Chris Bodecker (#35)

After we won, a few days later we went to Potwin for an assembly. We lined up on that rubberized, reddish, court. I stood next to Ryan. We all quietly stared at the grade school students in the pink bleachers. They stared at us too. The tension built as we both wondered what would happen. Karen Hujing held a microphone: "Would anyone want to share what it was like to win the state championship?" Silence. I tried to say something but nothing came out. But then she looked at Ryan. He gave her a look that said, "I am not saying a word." Then with a grunt he said, "It was awesome!" The gym erupted with high-pitched cheers. I realized we were rock stars. From that time forward, I have known what the banner means to me. It represents a dream come true. Our community and our team reached together into the stratosphere, grabbed a hoop dream, and brought it down to reality. Now 25 years later, I can tell you about it.

First, I want to tell you about the start of the 98-99 basketball season our sophomore year. We sat in Mrs. Meyers Math room - which is the lunchroom today - where we wrote down our goals. Coach Haydock said, "The reins of the varsity team will be placed into the

hands of the sophomore class. They are a skilled ball team with the freshmen. But if we want to make the best of it; we must write down our goals." I scrawled my goal with a question mark at the end. When asked what I wrote, I said, "I would like to win a few games this basketball season...maybe?" It took 27 years for that to get a laugh, but in that math room: silence. Then he called on Ryan: "We can win our pre-season tournament, go undefeated in the league, win sub-state, and we can win the state championship." I was stunned. He said what our purpose was here on earth. It brought our dream down to the horizon. I felt it was in our grasp.

Second, I want to tell you the defining moment before our championship game. In Bramlage Coliseum, we stood outside our locker room. Valley Falls stared at us like we were nothing, like they already won, and they wanted to be the home team for the warm-up. Valley Falls was 4th place in 3A in 2000. They were undefeated for the 2000-2001 season. They had beat Inman in the semifinals, which we had lost to in the regular season. But the tournament had designated us as the home team. And Valley Falls had taken that from us too. They came out of their locker first

to force us on the court as the visiting team. Before we ran out, coach said, "Remember this." Jason, Ryan, Matt, Steve, Corey, Caleb, Austin, Seth, Brett, Brent, myself, and Will said, "Remember this." I felt goose bumps, and something clicked within me. We were not just playing another team. Instead, we had to prove ourselves against this rival as a team.

We were first on the court and the last to leave it.

Valley Falls fell. We won 60-57. Ryan grabbed the game ball and threw it in the air. We all pointed #1. It was a dream come true. As he said, "It was awesome." When the game ended you, our community, yelled a deafening boom of cheers. The cheerleaders and the band were with you as you said, "Go Broncos, Go Broncos, Go Broncos." You did it for so long with such love and strength that it silenced anyone who had a differing opinion. We knew together that we are the champions!!

I say all that to tell you thank you all for all your support. You all reached higher than I have seen anyone reach to make a new reality with us. Now, there is no better way to conclude than to say one more cheer. "Go Broncos" on three. One. Two. Three. Go Broncos!!

Centre Point Church, Whitewater

Open to public!

HISTORY HIGHLIGHTED

Historic Cemetery in Murdock Township

170 year old cemetery marked with rocks and lilies.

Early history in Kansas commences nearly 80 years after the signing of the Declaration of Independence.

Butler County was recognized in Kansas Territory in 1855. Kansas became a State in 1861. About the time Butler County was officially organized, a family cemetery was initiated in Murdock Township, within the area of the current Remington School District.

There is little known about the situation. Information available

indicates that a family named Johnson lived in a dugout in the bank of the Whitewater River. They were buffalo hunters. The parents died of smallpox and were buried nearby by their two sons. A short time later, one of the boys was killed by an arrow and the surviving son buried his brother next to the parents' graves.

The obscure cemetery was cared for by a later occupant of that land. Because of that respect, the primitive and simple cemetery remains visible, about 170 years later.

Happy Birthday, Kansas!

In celebration of Kansas' 165th birthday, we are featuring a wide selection of Kansas books this month. We invite you to peruse a variety of books about sports, history, nature and more.

Thank you to Darryl Claassen and other area historians and authors for providing the community with many interesting Whitewater books for your enjoyment.

During the months of January and February, stop by the library to see Betty Breising's life-long collection of thimbles collected from around the world.

Betty is the daughter-in-law of Fred and Hazel Breising, former owners of the Breising Meat Market in Whitewater. Some may remember that the library was located in the former meat market building, which can now be seen at Cowtown in Wichita.

Hank the Cowdog fans, REJOICE!!!

All 83 Hank the Cowdog audiobooks will soon be ready for your next road trip!

Perfect for Spring Break travel, listening at home and more!

ATTENTION WHITEWATER PROPERTY OWNERS

Dear Whitewater Resident,

The Environmental Protection Agency (EPA), in conjunction with the KDHE, has REQUIRED all Public Water Supply systems to conduct a Lead Service Line Inventory of both the public and privately owned water services within our jurisdiction, (city utilities). During that survey time we had less than half of you respond. This information is required by the State of Kansas.

Please note: answering “UNKNOWN” is the same as NO RESPONSE.

Please know that the City of Whitewater currently & in the past has not had any lead issues within our water supply.

OBJECTIVE

The city aims to **COMPLETE** the “Lead and Copper Survey”. **Any lead, galvanized, or unknown service lines need to be identified and/or should be replaced to ensure compliance and public safety.**

Thank You

HAPPY

New Year!

Thank you to everyone who donated so generously to make Christmas Wishes a success this holiday season!

We would also like to extend our heartfelt gratitude to each of our customers. Your continued patronage is the foundation of our success, and we are truly grateful for the opportunity to be your financial partner. Wishing you a wonderful new year filled with prosperity and joy!
