

## Are you interested in a different educational model for your children?

Are you drawn to the idea of **homeschooling**, but feel like you don't have adequate resources, whether time, knowledge, or structure?

Are you **already** homeschooling, but feel like your child would benefit from **outside instruction** in certain subject areas, like the more **advanced math** and **science** topics?

Or maybe you just want to have your child experience the **teaching style of others**?

If you answered **yes** to any of these questions, please join us as we meet to **determine interest** in starting a **microschool** in the Whitewater area.
