100th Annual Sauerkraut Day Weekend

The 100th Annual Sauerkraut Day will be celebrated the second weekend of October in 2025. The Wishek Association of Commerce is planning several activities for the three-day event. On Friday, October 10th, a sauerkraut meal will be served from 11-1 and from 5-7. There will be a vendor show, Bingo, and entertainment by Dakota Rangers and Uptown Band. Planned for Saturday, October 11th, are a parade, vendor show, food trucks all day, kids games on the civic center lawn, and a Taste of Wishek. A play is also a possibility. The Dakota Rangers will again provide entertainment with Rhyme or Reason Band and Sax of Wax DJ that evening. A breakfast will be served Sunday morning, October 12th, followed by a community church service. Whether you are young or old, come enjoy Wishek's National Holiday!

A word from the WPSAA

The Wishek Public School Alumni Association met to make a decision as to whether we would disband this group due to lack of interest from the alumni. We have been begging for new members to help, but our request for help has been ignored. Therefore, Kathy Welder, Bonnie Wiskus, Sue Wolff, Mary Vickers, and I agreed that as long as we had sufficient funds, we would keep the newsletter going as it is currently the only reliable source of communication since the passing of the Wishek Star publisher/editor.

We want to be very transparent and clear that we are not planning any reunions going forward, but if you want us to keep you informed or share information via the Wishek Badger Bulletin, we would need to have you contribute the \$10 dues. Please know that this was not any easy decision for any of us, but we have been doing this for a long time and we are not getting any younger.

Thank you.

President Bev (Welk) Vilhauer (1977)

99th Tri-County Fair 2025 & 100th Tri-County Fair 2026

The 99th Annual Tri-County Fair in 2025 will be July 10-13 and in 2026 for the 100th, it will be July 9-12. To celebrate the 100th Tri-County Fair, Midway West Amusement has been booked for both 2025 and 2026. Early plans are to have Kat Perkins and Country Roads Band in 2026. A complete schedule for 2025 can be found at tricofair.com. As events get finalized for 2026, they will also be posted on the website. So check back for updates often.

Please send in your annual \$10 dues, so we can continue to publish and mail the Badger Bulletin newsletter. The Badger Bulletin is sent to alumni and former teachers of Wishek Public School (WPS).

LETTERS LETTERS LETTERS LETTERS LETTERS

I hope to receive the Badger Bulletin in future years. I so enjoy reading it and catching up on all the Wishek news. I especially enjoy reading about the marriages, new births, and death notices which I otherwise probably would not hear about. I would also like to thank the committee and officers for all the hard work that you have done over the years and the dedication that you have shown since the All School Reunion was initiated. I totally understand that it is time for the younger generation to take over.

Wishing you All the Best,

Hi! Great job on the Badger Bulletin. I hope it continues.

I have one curiosity— What happened to the class of "71"? No pictures at all! Did our classmates have an attitude? Or just didn't get around standing for a picture? How many of "71" attended?

I wish I could have been there for the Wishek Quasquicentennial All School Reunion. You guys did a ton of work to get all that event organized! Beautiful!

Sincerely,

Deborah Feil (1971)

Library News....by Bev Vilhauer

Most of you are aware that the city library and the school library collaborated together to form the Wishek Public Library in 1999. One of the goals of the library board was to have a direct access door directly into the library. Last year, I was granted \$10,000 from the Libraries Transforming Communities, and along with donations from the Tri-County Fair Board and the BEK Cooperative, we will see this transformation happening in 2025. We are also making many changes to the library, so I invite you to come in and see what is happening.

Imagination Library: The Wishek Public Library was honored to receive a donation for the Imagination Library from Judy Morgan, in memory of Wishek Star Publisher/Editor Tony Bender. This program mails a book every month to children until they start school. On a personal note, I tried to get my grandchildren enrolled when they lived in Las Vegas, NV; Cedar City, UT; and St. George, UT, and unfortunately, they do not have a sponsor for this program in those areas. We are very lucky that we have sponsors to provide this to the children in our zip code area.

Thank You! A sincere "Thank you" to The Delmar Zimmerman family for their donation to purchase library books. As of this article, both Mr. & Mrs. Zimmerman have passed on but we know that the city of Wishek appreciated their contributions to the community as well as the school. We have had many donations of new and gently used books and magazines to the library. I hesitate to mention names, in fear that I may have forgotten someone, but you know who you are, and we want you to know how much we appreciate this.

Current college students were also awarded scholarships to continue their current studies. Those who received scholarships include BSC students Luke Scherbenske and Emily Jochim, NDSCS student Kenady Gross, and UND student Rykan Salwei. NDSU students awarded scholarships were Lewis Goehring, Savanna Bader, Alexa Kettering, and Seth Wolf.

Wolf, Salwei, Scherbenske, Bader, and Gross were recipients of WPS Alumni Scholarships. Lewis Goehring was the award recipient of the LeAnn Zimmerman Scholarship. Emily Jochim received the North Dakota Dollars for Scholars award. Alexa Ketterling was awarded the WADFS scholarship.

The WADFS board members would like to thank scholarship sponsors and the many people that generously donated through the year. Every donation or memorial ensures that we can continue our mission. A special thank you to the alumni of Wishek Public School for your continued support to students and their academic success. New Location with direct safe access to Hwy 13. The building is planned to be 80' x 112' to allow more room to house our current 7 vehicle fleet, add space to store our grain bin and water rescue equipment, and have a training area to teach our 30 plus volunteer members!

The project is currently out on bids with construction to hopefully begin in 2025 on three lots purchased south of Beaver Avenue between 8th and 9th Streets.
