

Application Packet for Certified Survey Map Review

Village of Rio, Columbia County, WI

207 Lincoln Avenue, Rio, WI 53960

www.riowi.us

Included in this Packet:

- Applicability of Ordinance Flow Chart
- Summary of Application Process
- Agreement for Reimbursable Services
- Application For CSM Review
- Statement of Understanding
- Submittal Checklist for CSM Review
- Environmental Assessment Checklist

The purpose of this document is to provide guidance in applying for a CSM Review in the Village or Rio. The documents contained in this packet will help guide individuals or organizations as they plan and prepare submittal documents, providing for increased efficiency and a streamlined approval process.

Applicability of Ordinance

Do I need a CSM or a Plat for my Project?

The purpose of this flow chart is to guide you through the process of making sure that a CSM is the correct land division document for your project. Please follow the chart through to confirm that a CSM is correct.

Summary of Application Process

1. Contact the Village Clerk to obtain an application packet for Certified Survey Map (CSM) Review in electronic form.
2. Fill out all forms in the packet completely.
3. The Applicant shall prepare a Certified Survey Map (CSM) in accordance with Sec. 236.34, Wis. Stats, the Village of Rio Land Division Ordinance (Title 14), and the "Submittal Checklist" as found on the last two pages of this packet. If the Application includes public improvements, then the Applicant shall also submit public improvement plans.
4. Submit 2 copies of the following items, assembled in packet form, to the Village Clerk (*The Village Clerk will forward the information on to the proper Village Representatives for review*):

EACH PACKET SHALL CONTAIN THE FOLLOWING:	
<input type="checkbox"/>	Letter of Intent
<input type="checkbox"/>	Completed Reimbursable Services Agreement or Pre-Development Agreement (whichever is designated by the Village Administrator for this project).
<input type="checkbox"/>	Completed Application For CSM Review Form
<input type="checkbox"/>	Certified Survey Map adhering to the criteria found in the Submittal Checklist
<input type="checkbox"/>	Statement of Understanding
<input type="checkbox"/>	Environmental Assessment Checklist
<input type="checkbox"/>	Appropriate Fee (See Associated Fees section on next page)

5. The Village Administrator (and other Village representatives as appropriate) shall review all of the submitted documents and determine the completeness of the application and CSM. The Village Administrator will work with you to make sure that you have all of the appropriate information for your submittal.
6. Once the Village Administrator has indicated that you have submitted all of the required information, you will need to provide one comprehensive electronic copy of the completed packet and CSM to the Village Administrator marked "1st Draft" in PDF format and six (6) comprehensive copies in printed format identical to the electronic copy in all respects for distribution to the Village Plan Commission.

Village of Rio

Mailing Address:
PO Box 276
Rio, WI 53960
www.riowis.us

If the documentation is found to be incomplete or inaccurate, your project will not be added to the Plan Commission Meeting agenda and will not be discussed until all of the appropriate documentation has been submitted.

7. After the submittal has been deemed complete, and the completed application packet and CSM have been submitted as provided above, the Village Administrator will distribute the packet to the Village Plan Commission. It shall have 40 days to submit a recommendation to the Village Board.
8. The Village Board shall take all of the recommendations into consideration and shall approve, approve conditionally, or reject the CSM and inform the applicant in writing of the decision within 90 days of the original filing date. If rejected and further consideration is requested, the CSM is to be revised and re-submitted within 60 days from the date of the Board's action on the application.

ASSOCIATED FEES

The application fee, escrow fee and review fees are set forth on the Village's Fee Schedule, which is on file with the Clerk. No approvals will be executed while review fees, that have been billed, remain unpaid.

Agreement for Reimbursable Services

In the Review of Certified Survey Map Applications
Village of Rio, Columbia County, WI

In accordance with the Village of Rio Land Division Ordinance, Section 1-3-1, the cost of application review for all Certified Survey Maps (CSMs) shall be borne by the Applicant. The Applicant shall pay all reasonable Village of Rio incurred expenses relating to a particular CSM review request. This may include meeting charges, professional consultants, or other relevant Village expenses incurred in connection to the CSM review request. The Village reserves the right to apply the charges for these services as well as for staff time, mileage, and Village equipment usage expended in the administration, investigation and processing of applications to the Applicant.

The Applicant is required to provide the Village with an executed copy of this agreement as a prerequisite to the processing of the CSM review application. The submittal of a CSM review application shall be construed as an agreement to pay for such professional review services applicable to the proposal. Review fees which are applied to an Applicant, but which are not paid within 30 days of the issuance of a bill by the Village will accrue interest at a rate of 1.5% per month.

_____ for
Applicant and/or Property Owner(s)

_____, agrees to reimburse the Village of Rio for
(Project Name)

all review costs associated with, but not limited to, the Village Engineer and Village Attorney, in connection with the CSM review and, further, agrees to reimburse the Village for other administrative staff review if, in the judgment of the Village Board, such reimbursement is warranted.

Statement of Understanding

By signing below, I, _____, certify that the information contained in this application is true and accurate to the best of my knowledge, and understand that a deliberate misrepresentation of information may be grounds for denial or reversal of this application, and/or revocation of any approval already awarded based on this application.

(Print Applicant Name)

I also authorize Village of Rio staff permission to view and enter the subject property for the purpose of reviewing and investigating this request.

I understand that submittal of this application and payment of the proper fees does not mean that approval of the CSM is imminent or guaranteed.

I understand that approval of this CSM does not qualify as, nor replace the necessity for proper permitting for the proposed project.

Submittal Checklist for CSM Review

- The survey shall be performed and the map prepared by a land surveyor registered in the State of Wisconsin.
- All corners shall be monumented in accordance with State Statutes, with the location of the CSM referenced off of bearings and distances therefrom.
- Exterior boundaries of the land surveyed and divided in accordance with State Statutes.
- All monuments erected, corners and other points established in the field in their proper places and noted by legend in accordance with State Statutes.
- The length and bearing of the exterior boundaries, the boundary lines of all blocks, public grounds, streets and alleys, and all lot lines.
- All lots and outlots in each block consecutively numbered in accordance with State Statutes.
- Exact width of all easements, streets, and alleys shall be shown in accordance with State Statutes.
- All lake or stream shore meander lines established by the surveyor in accordance with State Statutes, the distances and bearings thereof, and the distance between the point of intersection of such meander lines with lot lines and ordinary high water mark.
- Existing or proposed right-of-ways shall have the main chords shown as dashed or dotted lines. All curved lines shall show, either on the lines or in an adjoining table, the radius of the circle, the central angle subtended, the chord bearing, the chord length and the arc length for each segment.
- Appropriate map sizes, margins, formats consistent with State Statutes.
- The Certified Survey Map shall show correctly on its face, in addition to the information required by Section 236.34, Wis. Stats., the following:
 - All existing buildings, watercourses, drainage ditches and other features pertinent to proper division. Any building or structure and its location on the lot and setback lines shall be shown on the map and dimensioned to the nearest 0.1 foot where the location of such building or structure will be critical in relation to proposed property boundaries or to the zoning yard requirements.
 - Setbacks or building lines required by the Village Board and the Village Zoning Code.
 - All lands reserved for future acquisition.
 - Date of the map.
 - Revision list for all alterations or corrections, from initial CSM submittal up to and including the final submittal date, as necessary. The revision list may be included on the face of the document or in a cover letter attached with the CSM document(s), as necessary. Dates shall be included with the revision list.
 - Graphic scale.

www.riowis.us

-
- A north point properly located and identified as reference to magnetic, true or other identifiable direction and related to a boundary line of a quarter section, recorded private claim or federal reservation in which the subdivision is located, in accordance with State Statutes.
 - Name and address of the owner, subdivider and surveyor.
 - Name and address of owner of adjacent parcels.
 - Square footage of each parcel.
 - Present zoning for the parcels. Proposed zoning if applicable.
 - Easements of record, if available.
 - Names of adjoining streets, highways, subdivisions, and bodies of water, if available.
 - Wetlands within and adjoining the parcel, if available.
 - All distances and bearings shall be referenced to the Wisconsin Coordinate System, South Zone, and adjusted to the Town's control survey.
 - The surveyor shall certify on the face of the certified survey map that he/she has fully complied with all the provisions of the Town of Pacific's subdivision ordinance.
- The map shall include a certificate of the surveyor who surveyed, divided, and mapped the land which has the same force and effect as an affidavit and which gives all of the following information:
- By whose direction the surveyor made the survey, division and map of the land described on the certified survey map.
 - A clear and concise description of the land surveyed, divided and mapped by government lot, recorded private claim, quarter-quarter section, section, township, range and county; and by metes and bounds commencing with a monument at a section or quarter section corner of the quarter section or at the end of a boundary line of a recorded private claim or federal reservation in which the certified survey map is located; or if the land is located in a recorded subdivision or recorded addition to a recorded subdivision, then by the number or other description of the lot, block or subdivision, which has previously been tied to a corner marked and established by the U.S. public land survey.
 - Certification by the surveyor that he or she has fully complied with all the provisions of the Village's Land Division Ordinance.
 - Certification by the surveyor that he or she has fully complied with all provisions of State Statutes regarding surveying, dividing, and mapping the land.
- Dedication of streets and other public areas shall require, in addition, the owner's certificate and the mortgagee's certificate in substantially the same form as required by Section 236.21(2)(a) of the Wisconsin Statutes.

Incomplete, inaccurate, or non-submittal of any of the above items may be grounds for rejection of the application, or denial of the request.

Environmental Assessment Checklist

For Subdivisions and Land Divisions by Certified Survey

ITEMS	YES	NO
Land Resources - Does the project site involve:		
Changes in relief and drainage patterns (attach a topographic map showing, at a minimum, two (2) foot contour intervals)?	<input type="checkbox"/>	<input type="checkbox"/>
A floodplain? (If yes, attach two (2) copies of a typical stream valley cross-section showing the channel of the stream, the 100-year floodplains limits and the floodway limits (if officially adopted), of each site of the channel and a cross-section of area to be developed)	<input type="checkbox"/>	<input type="checkbox"/>
An area of soil instability — greater than 20% slope and/or organic soils, peats, or mucks at or near the surface?	<input type="checkbox"/>	<input type="checkbox"/>
Prime agricultural land (Class I or II soils)?	<input type="checkbox"/>	<input type="checkbox"/>
Wetlands and/or mapped environmental corridors?	<input type="checkbox"/>	<input type="checkbox"/>
Water Resources - Does the proposed project involve:		
Location within the area traversed by a navigable stream or dry run?	<input type="checkbox"/>	<input type="checkbox"/>
Lake Frontage?	<input type="checkbox"/>	<input type="checkbox"/>
Human and Scientific Interest - Does the project site involve:		
An area of archeological or geological interest?	<input type="checkbox"/>	<input type="checkbox"/>
An area of historical interest?	<input type="checkbox"/>	<input type="checkbox"/>
An area of buildings or monuments with unique architecture?	<input type="checkbox"/>	<input type="checkbox"/>
Energy, Transportation, and Communications		
Does the development encompass any future street appearing on the Village of Rio Official Map?	<input type="checkbox"/>	<input type="checkbox"/>
Is the development traversed by an existing or planned utility corridor (gas, electricity, water, sewer interceptor, communications, storm sewer)?	<input type="checkbox"/>	<input type="checkbox"/>

All "YES" answers must be explained in detail by attaching maps and supportive documentation describing the impacts of the proposed development.

By signing below, you verify that you have completed all necessary research to ensure the accuracy and truthfulness of your statements.
