

INVITATION FOR BID

Project Name: SALEM EX3 & EX4 WELLS

FCWSA Contract No.: 20-P-99-0240

Fauquier County Water and Sanitation Authority (FCWSA), the Owner, invites qualified contractors to submit sealed Bids for the aforementioned project. Sealed Bids will be received at the Owner's office until the date and time given below, at which time they will be opened and read aloud. Bids received after the date and time given below will be returned to the Bidder unopened. The procurement process and the performance of the Contract shall be governed by the provisions of the Virginia Public Procurement Act (VPPA).

Owner's office and contact information regarding the Project, the purchase of Bidding Documents, and questions about the Project:

Fauquier County Water and Sanitation Authority
Attention: Procurement
7172 Kennedy Road
Warrenton, VA 20187
Email: procurement@fcwsa.org

* Bidders are requested to include the Project name in the subject line of Email.

The following is a general description of the Project:

- Furnish and install groundwater well and treatment system components at two sites, each including a well pump, treatment building, and standby generator.
- Decommission existing groundwater well and treatment system components at one site.
- Furnish and install approximately 3,900 linear feet of 4-inch water main and 1,600 linear feet of 12-inch water main, including connections to existing water system.
- The associated electrical, controls, and instrumentation, as well as site work shall be provided.
- Other Work as shown on the Drawings and as specified including related site work.
