

Dear Customers on the Rt 774 Well,

This letter is to notify you that Fauquier County Water and Sanitation Authority (FCWSA) maintenance crews will be working to repair a hydro tank on the Rt 774 Well. This service will take place February 5, 2024 (weather permitting).

Residents in the affected area will experience no water pressure on the day this service is being conducted. Homes and businesses located near the affected area may also be impacted. The work is scheduled during the day hours to minimize disruption to customers and commuters. The service schedule, and the affected area, is as follows:

Repair:	Date/Time:	Monday, February 5th, 9:00 am – 3:00 pm
	Location:	Rt 774 Well Lot
	Service:	Hydro tank repair
	Water Disruption:	Customers on the Rt 774 Well
	Roadway Disruption:	None expected.

This service will provide you with a strengthened water system. We apologize for the temporary inconvenience this may cause you and we thank you for your patience. If you have any questions, you may contact FCWSA Customer Service at (540) 349-2092.

Sincerely,

Fauquier County Water and Sanitation Authority
