CERTIFICATE OF COMPLETION

In compliance with 12VAC5-590-250 of the Commonwealth of Virginia Waterworks Regulations for Public Water Facilities and/or in compliance with 9VAC25-790-180.C.1 of the Virginia Sewage Collection and Treatment Regulations for Public Sanitary Sewer Facilities, the undersigned Professional Engineer registered in the Commonwealth of Virginia of the following described Project, hereby states that all construction work of the waterworks and/or sewerage systems or treatment works were completed in accordance with the approved construction plans and specifications, revised only in accordance with the provisions of 12VAC5-590-240 for water facilities and 9VAC25-790-180.B for sanitary sewer facilities.

This certification is based upon inspections of all water and/or sanitary sewer facilities during and after construction or modifications. These inspections were made and provided evidence to the truth of this statement of completion of construction.

This statement is based upon the following:

(1) water line cut sheet, (2) force main cut sheet, (3) as-built plans, (4) certification letter(s) from contractors, and/or (5) field survey.
