

COVID-19 NOTICE:

Attention General Public, Due to the increasing threat of the Coronavirus (COVID-19). The Slater Police Dept. office will be closed until further notice.

There is always an officer on duty to answer any emergency calls. This includes crimes in progress, acts of violence, or domestic disturbances. In these cases, as always, call 911 and the officer will respond. However, if you have a non-emergency issue or report, please call (660) 529-2242 or (660) 831-1911 and an officer will return your call and take a report over the phone.

As always, the health and safety of our citizens is of our utmost concern as well as the health and safety of our officers and staff.

Extra time will be allotted for the purchasing Pet licenses and ATV licenses without fear of penalty.

Thank you for your understanding during these times and we hope to find you all in good health once this passes.
