

REQUEST FOR QUALIFICATIONS
PROFESSIONAL ENGINEERING SERVICES:
DESIGN AND INSPECTION SERVICES

The City of Slater is requesting qualifications for construction design and inspection services to assist in a project to be partially financed with Environmental Protection Agency (EPA) funds. The remainder of the project is being financed by the City of Slater. The project consists of road and levee improvement and generator installation at the Slater Wells, Project located at 39054 East Highway 240, Gilliam, Mo 65330.

Information provided to the City of Slater must include:

- 1) The specialized experience and technical competence of the firm with respect to drainage improvements;
- 2) The capacity and capability to the firm to perform the work in question, including specialized services, within a period of two months beginning February 1, 2023, as funding has been awarded;
- 3) The past record of performance of the form with respect to such factors as control of cost, quality of work, and ability to meet schedules;
- 4) References from previous clients of related work with the firm within past five years.
- 5) Documentation of compliance with E-Verify requirements.
- 6) Signed Conflict of Interest form attached to this RFQ.
- 7)

The Preliminary Engineering Report was developed by Rhodes Engineering Company, Inc. who is familiar with the area and knowledgeable of the project. The firm will be selected based on the above qualifications. Once the most qualified firm is selected, a cost of construction design and inspection will be negotiated.

The ability to work immediately shall receive primary consideration. The above information should be submitted no later than 01/13/2023 12:00 pm. To attention of Russell Griffith City of Slater 232 Main, Slater, MO 65349.

For more information, contact Russell Griffith at 660-529-2271 The City of Slater in Saline County, Mo is an Equal Opportunity Employer and invites the submission of proposals from Woman and Minority Business Enterprises.

POSSIBLE CONFLICT OF INTEREST

The City of Slater located at 232 Main St. Slater, MO 65349 is disclosing there is a possible conflict of interest that may arise during the Environmental Protection Agency (EPA) project that was awarded in July, 2022. Activities include road improvements and generator installation. The engineering firm which prepared the preliminary engineering report for the application will be provided the opportunity to submit a proposal in response to the attached Request for Qualifications.
