

Hello, families!

Our WPS Elementary classroom Halloween parties will be next Thursday afternoon, Oct. 31.

Students will come to school in regular clothing, and bring costumes in their backpacks.

*Remember:* child-friendly

costumes only at school (no gore, weapons/play weapons), no masks for vision safety, and no makeup that the child can't apply quickly themselves.

Students will change into costumes mid-afternoon for the costume parade, beginning around 1:30 pm. This year (weather permitting), students will parade from the school to downtown Bazine and back. Families are invited to watch the parade along Main Street. If you wish, you are welcome to do a "Trunk or Treat" for students from your vehicle; if so, please park on Main Street with your car trunk open, and students will stop by along their parade route.

Afterward, students will return to school for a brief Halloween party in our classroom.

Questions? Please call the school at 785-398-2535.

Thank you!
